\u0410 simple game for the evening). Blasting slugs is pretty fun. But that's all there is. That's it. I get that thta is what the game is callded...But yeah. I was hoping for gun upgrades and stuff. Probably worth it for a dollar though.

There might be some value in the multiplayer aspect of the game, but single player is pretty meh.

https:\/\/www.youtube.com\/watch?v=sN4EqcRY3xk&feature=youtu.be. pretty good game
